When he reached the fake dead tree that he'd had been put in the woods for him, he pressed the keypad to allow him access to the rooms below the tree. When the tree moved back, he took the stairs down to his lair, locking the door behind him. Gunner would have to bring Hodge out here soon. He knew it was about the safest place to be when someone came calling that wanted him dead. There were ...

Lyricist and author Sheila Davis writes that including a city in a song's title helps focus the song on the concrete and specific, which is both more appealing and more likely to lead to universal truth than abstract generalizations. Davis also says that songs with titles concerning cities and other specific places often have enduring popularity. The following is a list of songs about cities ...
